

Being Me Tag Mini Album

Page/Tag 1:

1. Adhere precut **Paisley** and **Chocolate Damask** papers back to back, aligning punched holes and notch.
2. Adhere **Stripe Border** horizontally across the **Chocolate Damask**, just below the notch hole. Adhere square of **Blue Tonal** paper on cover so that it extends onto **Stripe Border** a little. Make sure you are working on the cover in the correct direction—before doing any work, fold pocket up and note which way you should be working on the cover.
3. Adhere **square quote** centered on **Collage** [blue tonal paper] square; add two **tiny tags** with brown brads. Adhere **small circle light plum washer** and **blue stitched flower** die cut as shown, setting a brown mini brad in center of flower. Make sure one of the flower petals covers the hole in the washer.
4. Using a small amount of adhesive only on the left/right sides, fold up and adhere pocket.
5. Knot a piece of brown ribbon with black squares through the each of the left hand punched holes.
6. Choose a brown cardstock tag and adhere a **blue washer** over the pre-punched hole. Knot a piece of brown gingham ribbon through hole; adhere **quote** of your choice along left hand side of tag.

Page/Tag 2

1. Adhere precut **Grape Damask** and **Blossoms** papers back to back, aligning punched holes and notch.
2. Using a small amount of adhesive only on the left/right sides, fold up and adhere pocket.
3. Adhere **Stripe Border** horizontally across **Grape Damask**, centered on the front flap of the pocket. Adhere a **large die cut flower** over the border, offset to the right.
4. Choose a **quote** from the sheet, cut out and adhere to lower left hand corner of front of pocket.
5. Add a **brown washer** over the hole of a blue cardstock tag; knot a piece of brown grosgrain through hole.
6. Adhere a contrasting **Border** to bottom of tag, leaving 1/8" of the cardstock showing.

Page/Tag 3

1. Adhere precut **Stripes** and **Light blue Paisley** papers back to back, aligning punched holes and notch.
2. Using a small amount of adhesive only on the left/right sides, fold up and adhere pocket.
3. Adhere **Paisley** die cut to pocket as shown; adhere **large medallion die cut** to round chipboard and adhere to front of pocket.
