

Customized Buttons

Supplies

- Buttons
- Permapaque Pens from Sakura
- Glaze Pens from Sakura
- Glue Dots
- Clear Nail Polish
- Teflon Craft Sheet

INSTRUCTIONS

1. Using a Glue Dot, adhere a button to the teflon craft sheet.
2. Use the Permapaque Pens to put a base color on the button.
3. Add your own flair to each button using both the Permapaque Pens and the Glaze Pens.
4. Let the doodles dry (about 10 minutes)
5. Seal the button with clear nail polish.
6. Let the nail polish dry completely (2 hours).
7. Peel button up from teflon sheet and use as you wish!
