## INSTRUCTIONS

1. Using the Design Sheets and Creative Metal Beginner Kit, emboss 3 metal squares with a variety of designs.
2. Splash watercolors onto the embossed metal and dry with a heat gun. The paint will pool in the debossed areas.
3. Gently rub Permapaque Pens across the raised areas of the metal.
4. Use a paper trimmer to cut the large squares into smaller pieces.
5. Adhere photo to cardstock on the left hand side.
6. Lightly adhere the metal squares above and below the photo.
7. Use a sewing machine and stitch around each piece of metal.
8. Paint your title and 3 blue flowers to the right of the photo.
9. Journal above and below the title.
