INSTRUCTIONS

To create the background for this layout:

1. Paint an area of the cardstock yellow, using the Koi Watercolor Paints. Let dry.
2. Doodle with the clear Sakura Glaze Pen. I drew bullseyes and dots. Go slowly. The ink will be completely clear.
3. Let the Glaze Pen dry (10-15 minutes).
4. Go over the yellow area with blue and red watercolor paint to reveal your secret doodles!
