

## QUICKIE GLUE GLITTER FLOWERS

### SUPPLIES

- Sakura Quickie Glue Pen
- Doodlebug Glitter
- Patterned Paper: Making Memories
- Scissors
- Foam Adhesive
- Scrap Paper

## INSTRUCTIONS

1. Choose a patterned paper with a design that can be cut out. The one I used is from Making Memories.
2. Cut out your flower shape.
3. Lay your flower shape on a piece of scrap paper.
4. Use a glue pen to color in the center of your flower. Immediately cover with glitter.
5. Pick up flower shape and tap off the excess glitter onto the piece of scrap paper.
6. Funnel excess glitter back into container.
7. Repeat this process adding various colors of glitter and drawing dots and hearts and any doodles that make you happy!
8. When you're finished glittering, use foam adhesive to layer two of the flower shapes.
