EASY ART JOURNALING

SUPPLIES

- Koi Watercolors by Sakura
- Sakura Waterbrush
- Scissors
- Fashion Magazine
- Strathmore Visual Journal
- Optional: Packing Tape

INSTRUCTIONS

1. Find a figure in a magazine with a clear silhouette (arms away from the body and legs apart works best). Cut it out carefully. Optional: You can coat the magazine page with clear packing tape before cutting to better preserve the page after wetting.
2. Place figure onto art journal page. Paint around the figure with several colors of watercolor paint. Let dry.
3. Outline the figure with brown watercolor paint.
4. Paint various colors of stripes radiating from the figure.
5. Continue the stripes across the wire binding of the art journal. Let dry.
6. Using black watercolor paint, write your title and your journaling.
