

# Sakura Stenciled Layout

by Julie Fei-Fan Balzer

1. Use tape to mark which parts of the Balzer Designs "Wedding Ring" stencil you want to use.
2. Use a .05 Pigma Micron to trace the stencil design.
3. Remove the stencil and color in the center area with a Sakura Glaze Pen.
4. Rip two pieces of deli paper and layer them on top of one another.
5. Use a piece of washi tape to adhere your photo to the two pieces of deli paper.
6. Adhere the deli paper and photo to the bottom left corner of your layout.
7. Stamp the number 2 onto a piece of deli paper. Give the ink a moment to dry.
8. Finish the curve of the number 2 and color in the empty stripe with a Sakura Soufflé Pen.
9. Write the word "girls" on deli paper in script using a Sakura Soufflé Pen. Let the ink dry.
10. Once the ink is dry, outline the word with a .01 Pigma Micron.
11. Cut out both the number and the word and layer them. Then

12. adhere them both to the layout.
13. Add two hand cut strips of paper to the top of the layout.
14. Add your journaling.
15. Splash black watercolor droplets across the layout and you're done!
