

Life is Good

by Julie Fei-Fan Balzer

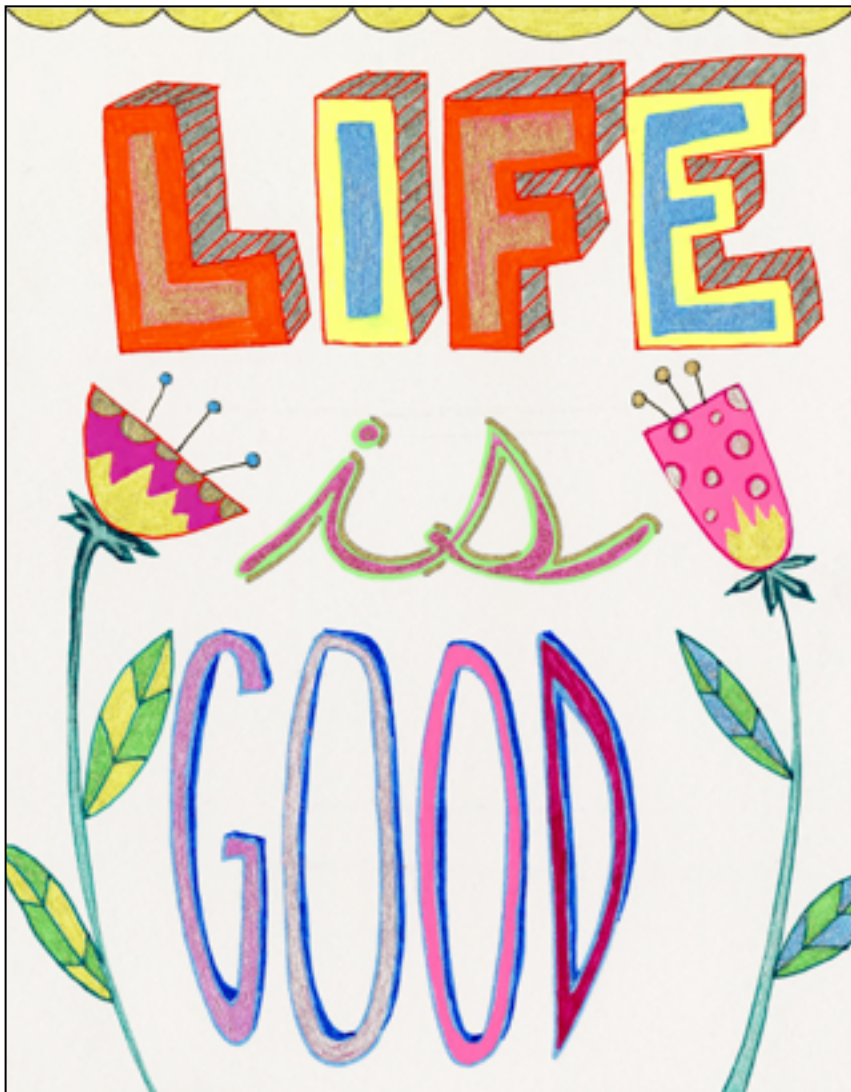

SUPPLIES

- * smooth white paper
- * Sakura Gelly Roll Pens -- several types: Metallic, Classic, Moonlight, Stardust, Silver Shadow, and Gold Shadow

INSTRUCTIONS

1. Write the word "life" in big block letters and add a striped shadow.
2. Write the word "is" in cursive handwriting.
3. Write the word "good" in tall narrow letters.
4. Embellish all of the letters using a variety of Sakura Gelly Roll Pens. Have fun mixing up the different colors and styles!
5. Draw a flower on each side of the lettering and embellish them with a mixture of Sakura Gelly Roll Pens.
6. Finish your illustration off with a scalloped edge along the top.

NOTE: Remember that perfection is completely overrated. Use your normal handwriting and feel free to create wonky lines and doodles! It's authentically you!

Quick Guide to Sakura Gelly Roll Pens

- * Classic: in 2 tip widths - fine point & medium
- * Metallic: opaque and reflective ink
- * Moonlight: fluorescent opaque ink -- looks great on a dark surface
- * Stardust: sparkling glitter ink
- * Silver Shadow: Dual-color pen that mixes opaque silver ink with a classic color
- * Gold Shadow: Dual-color pen that mixes opaque gold ink with a classic color
