Easy No-Sew Fringe-Flowers

By Cheryl Boglioli

Create an easy and fun flower embellishment with fabric and felt that can decorate your home, scrapbook page, or hair!

Supplies:

- Kunin® Eco-fiPlus Premiumfelt™
- Fabric
- Fabric Adhesive
- Scissors
- Faber-Castell PITT pen.
- *Optional brads, buttons, skewers, or hair clips*

Instructions:

1. Cut multiple circles from fabric and felt with each layer graduating larger and ending with the largest circle being cut from fabric. *It is recommended that each fabric circle layer should be 3-4 layers of fabric to give the fabric circle substance.*
2. Glue fabric layers together, keeping glue any ½ from edges of fabric.
3. Glue 4-5 layers of graduating circles and allow to dry.
4. Using scissors, snip from outside edge up to second circle layer (It's ok if you snip a bit of the second circle layer too).
5. Embellish flower with faux stitching using PITT pen.
6. Optional touches –
 - add a button or a brad to the center of your fringe-flower
 - glue to hair clip or headband for great hair accessory
 - glue a skewer between the last circle layers to create a stem and make a flower arrangement
