Groovy Stenciled Pillow

By Cheryl Boglioli

Supplies:

- Canvas Corp™ 14" round pillow case
- Fairfield World™ 14" round pillow
- Acrylic paints
- Art-C™ The Groove™ Tool
- The Crafters Workshop stencil
 - *Geo Explosion* – TCW544

Directions:

1. Place a scrap piece of cardboard or cereal box inside pillow case to protect paint from going through and to give you a smooth surface to paint on.
2. Place stencil onto pillow case. You can tape the stencil down for more stability.
3. Pour a small amount of 2-3 colors paint paint palette.
4. Using stencil brush attachment on The Groove™ Tool, dip into a small amount of paint with tool turned on high speed.
5. With brush still moving, brush paint over stencil onto the pillow case using The Groove™ Tool. Dip tool back into paint as necessary.
6. To change colors, you can swap out for a new brush head, or wash out brush head and towel dry.
7. Repeat this process until design is painted.
8. Remove the stencil and allow paint to dry.
9. Heat-set paint after dried or use a fabric medium mixed with acrylic paint to make the pillow case washable.
10. Insert pillow and enjoy!
